BIOGRAPHY

Beau Patterson's practice involves a broad range of business transactions and general representation of individuals and business entities in the areas of creditor's rights, healthcare, oil and gas, real estate and regulatory compliance.

REPRESENTATIVE EXPERIENCE

- Representation of individuals and companies in business and commercial transactions, including asset sales and purchases, stock sales and purchases and other merger and acquisition transactions.
- Representation of creditors in bankruptcy reorganizations and adversary proceedings.
- Representation of businesses and individuals in the acquisition of improved and unimproved real property, including title, survey and diligence activities.
- Representation of clients before various municipal and governmental entities with respect to real estate matters (e.g. zoning, special use permitting, regulatory compliance, etc.).
- Assist healthcare clients in developing programs and guidelines to comply with HIPAA requirements.
- Representation of healthcare providers in evaluating compliance with Stark law and Medicare fraud and abuse laws and regulations.
