Overview

Jeremy Black's practice is focused on advising clients on a variety of corporate, transactional and commercial matters including mergers, acquisitions & divestitures, joint ventures, and financing transactions, with an emphasis on upstream and midstream oil and gas transactions and related matters.

Jeremy also has significant experience and expertise and regularly advises clients on federal, state and local tax planning for public and private corporations, limited liability companies, partnerships and individuals, tax structuring of complex business transactions, and providing general business advisory services to clients across various industries.

Jeremy's representative experience includes advising clients on a wide variety of matters including negotiating and drafting purchase and sale agreements, public and private securities offerings, numerous joint venture structures, complex financing arrangements, and providing advice and general representation to his clients including ownership, management, and governing bodies.

Jeremy's achievements have earned him inclusion in *The Best Lawyers in America* (business organizations; corporate law, mergers and acquisitions law; tax law).
